Volume contents

Intensive and Critical Care Nursing

Volume Contents
(Volume 19 2003)

1 **Should relatives be denied access to the resuscitation room?**
C. Ardley

11 **A randomised controlled trial comparing the use of manual versus mechanical compression to obtain haemostasis following coronary angiography**
T. Jones and H. McCutcheon

21 **Music therapy—a complementary treatment for mechanically ventilated intensive care patients**
S. Almerud and K. Petersson

31 **Autonomy among intensive care nurses in Finland**
S.-L. Varjus, T. Suominen and H. Leino-Kilpi

41 **Chest X-ray quiz**
M. Reading

43 **Reviewing evidence**
J. Hewitt-Taylor

50 **Achieving collaborative workplace learning in a university critical care course**
E. Manias and R. Aitken

63 **Editorial: Severe sepsis—a major challenge for critical care**
S. Dolan

68 **Predictors of backrest elevation in critical care**
M.J. Grap, C.L. Munro, S. Bryant and B. Ashtiani

75 **Humidification in the long-term ventilated patient; a systematic review**
S. Bench

85 **Evidence for practice**
J. Hewitt-Taylor

ELSEVIER

92 **The introduction of new critical care equipment into the aeromedical evacuation service of the Royal Air Force**
D. Lamb

103 **"The worst journey of our lives": parents' experiences of a specialised paediatric retrieval service**
G. Colville, F. Orr and D. Gracey

109 **Assessment of neonatal nurses' behaviors that prevent overstimulation in preterm infants**
M. Aita and C. Goulet

119 **Book Reviews**

121 **Erratum to "Chest X-ray quiz"**
M. Reading

123 **Notices**

125 **Power and conflict in intensive care clinical decision making**
M. Coombs

136 **Developing a competency framework for critical care to match patient need**
S. Bench, D. Crowe, T. Day, M. Jones and S. Wilebore

143 **Respiratory care in spinal cord injury with associated traumatic brain injury: bridging the gap in critical care nursing interventions**
N. Cook

154 **Pain assessment in critical care: what have we learnt from research**
K. Shannon and T. Bucknall

163 **Pressure sore prevention in the critically ill: what you don't know, what you should know and why it's important**
C. Theaker

169 **Chest X-ray quiz**
M. Reading

171 **Optimisation of oxygenation and tissue perfusion in surgical patients**
O. Boyd

182 **Notices**

183 **Editorial**
P. Deeny

186 **Weaning from ventilation in paediatric intensive care: an intervention study**
S. Keogh, M. Courtney and F. Coyer

198 **Nurse consultants as higher level practitioners: factors perceived to influence role implementation and development in critical care**
D. Fairley

207 **The utilisation of continuous veno-venous haemofiltration for the removal of septic mediators in patients with systemic inflammatory response syndrome**
A.J. Ruffell

215 **Can protocolised-weaning developed in the United States transfer to the United Kingdom context: a discussion**
B. Blackwood

226 **'Realising the potential of critical care nurses': an exploratory study of the factors that affect and comprise the nursing contribution to the recovery of critically ill patients**
C. Ball and M. McElligot

239 **Chest X-ray quiz**
M. Reading

241 **End-of-life decisions in Swedish ICUs. How do physicians from the admitting department reason?**
M. Svantesson, P. Sjökvist and H. Thorsén

252 **Notices**

253 **Editorial: California's AB 394: the two sides of mandated staffing ratios**
L.V. Doering

257 **RCN Critical Care Forum: News and Issues**
J. Galley and B. O'Riordan

267 **A preoperative scoring system to identify patients requiring postoperative high dependency care**
A.M. Pirret

276 **Critical care nursing practice regarding patient anxiety assessment and management**
D.K. Moser, M.L. Chung, S. McKinley, B. Riegel, K. An, C.C. Cherrington, W. Blakely, M. Biddle, S.K. Frazier and B.J. Garvin

289 **Nurses' clinical experiences of the inverse bed position on a neurointensive care unit—a phenomenographic study**
Å. Dahl, H. Nyberg and U. Edéll-Gustafsson

299 **Chest X-ray quiz**
M. Reading

301 **Haemodynamic monitoring with pulse-induced contour cardiac output (PiCCO) in critical care**
R. Cottis, N. Magee and D.J. Higgins

308 **Supernumerary status: definition, operationalisation and its effect in practice**
B. McGowan and B. McCormack

318 **Critical care update: Research and practice**

320 **Notices**

321 **Editorial**
C. Ball

324 **RCN Critical Care Nursing Forum Annual Conference 20th–21st June 2003: The Changing Face of Critical Care**

326 **Development and implementation of a multi-centre information system for paediatric and infant critical care**
B. Maybloom and Z. Champion

342 **Patients' sleep in an intensive care unit—patients' and nurses' perception**
U. Frisk and G. Nordström

350 **Intensive care sedation of mechanically ventilated patients: a national Swedish survey**
K.A. Samuelson, S. Larsson, D. Lundberg and B. Fridlund

363 **Chest X-ray quiz**
M. Reading

365 **Researching the experience of being critically ill: some methodological difficulties**
C. Jones and C. Lyons

370 **Levosimendan**
P. Mason
